Summary

Senior Product Manager with 10+ years building consumer and platform products across media, entertainment, sports, and digital ecosystems. Blends product strategy, partner integrations, and data-informed experimentation to drive engagement, onboarding, monetization, and scalable growth. Experienced translating user needs, business goals, and technical constraints into product direction across complex, cross-functional environments.

- Led transition from third-party vendor to in-house platform, improving scalability, coordination, and operational control
- Increased engagement 18% and added 5.5M monthly minutes by overhauling navigation, discovery, and onboarding
- Grew revenue and platform engagement through cross-functional distribution, onboarding, and partner integration initiatives across major ecosystems

Experience

National Basketball Association

2025 - Present

Senior Technical Product Manager, Direct-to-Consumer Products

Lead product delivery across NBA & WNBA digital products, improving onboarding, execution, and user experience

- Launched WNBA CTV app by start of season supporting hundreds of thousands of concurrent users at launch
- Built AI prototype adopted by leadership as foundation for a reimagined NBA mobile experience
- Improved onboarding and purchase flows by aligning product, engineering, and monetization teams
- Built AI agents automating Jira workflows & story generation, reducing delivery overhead for engineering squads

Tubi, Inc.

2023 - 2024

Product Manager II, Growth Product Distribution

Led cross-functional growth and distribution initiatives across partner ecosystems and digital platforms

- Increased gross revenue 2.23% and 5-minute conversion 19.1% by redesigning onboarding and registration flows
- Expanded platform reach and engagement by launching new partner integrations and distribution surfaces
- Improved store listing CVR 23% and secured 20+ top-ranking keywords by testing AI-driven ASO copy variations
- Increased platform engagement & revenue 20% through partner alignment & expanded content distribution strategy

Paramount Global

2014 - 2023

Product Manager, Consumer Digital Experiences

Owned multi-year roadmap strategy for Nick's flagship app, driving growth and cross-functional execution.

Promoted multiple times from associate to senior-level ownership and ultimately Product Manager for the flagship Nick App

- Increased engagement 18% and added 5.5M monthly minutes by relaunching games and redesigning core UX
- Restored app rating to 4.0+ and unlocked \$250K ad revenue through discovery and monetization improvements
- Drove 1.5M pre-registrations for Super Brawl Universe through F2P launch & onboarding strategy
- Partnered with UX research and insights teams to refine discovery, onboarding, and engagement experiences

Education
